Merchandising materials and samples are for general reference only and representative of a product's potential characteristics. Tile is subject to variation in color/shade, size, texture, and finish. Field, mosaic and trim tile may not match exactly. Blend tiles from different boxes to achieve consistent shade distribution. Installer and end user must conduct a dry mock layout under proper lighting conditions to inspect the product. Installation constitutes acceptance of the product. Reference the TCNA, ANSI, Manufacturer's specifications, and Bedrosians Care & Maintenance Guide. Improper installation, application, use, care and maintenance voids warranty.
