Don't Forget About Our Installation Tools!
Wood/Vinyl Installation Kit and All-In-One
Wood Adhesive are Available to Purchase.

Always use Bedrosians's wood flooring adhesive and coordinating tools to install the flooring in order to preserve warranty.

Over time direct sunlight will change wood color and is a natural occurrence. See Bedrosians.com for detailed warranty. This sample maybe a different shade than current stock. Check actual material before installation (Bordeaux is a natural wood product so stock may vary from samples. Always check actual flooring material PRIOR to installation). Coordinating solid oak trim pieces available.

Merchandising materials and samples are for general reference only and representative of a product's potential characteristics. Hardwood is subject to variation in color/shade, size, texture, and finish. Plank and trim pieces may not match exactly. Blend tiles from different boxes to achieve consistent shade distribution. Installer and end user must conduct a dry mock layout under proper lighting conditions to inspect the product. Installation constitutes acceptance of the product. Improper installation, application, use, care and maintenance voids warranty. We reserve the right to make product changes without notice. Please visit bedrosians.com for current product information.
